CUBA: HAVANA AND TRINIDAD | NOVEMBER 7–14, 2020

Join us on this tour in “Support of the Cuban People.” The U.S. Government permits legal travel to Cuba under 12 different categories that range from professional meetings and sporting competitions to religious and humanitarian travel. One of the broadest and most common categories of travel is “Support for the Cuban People,” which requires travelers maintain a fulltime schedule of activities that involve meaningful interaction with individuals in Cuba and that those activities help Cubans become more independent. There are many ways in which travelers can fulfill this requirement while having an incredible experience in Cuba and enjoying thoughtful, respectful and kind interactions with the many Cubans you will meet with during your travels.

The Nation and our tour operator Cuba Educational Travel (CET), have a long history of working with entrepreneurs, cultural groups, religious organizations, community projects and families and individuals that are involved in interesting and exciting initiatives in Cuba. Our trips have always been aimed at supporting the Cuban people through connecting them with travelers visiting the island, so that all parties can benefit from the friendships and professional relationships that result. Moreover, we believe strongly in supporting innovative and impactful businesses and social and cultural initiatives and make sure there are economic benefits to our partners on the island.

Your program will vary based on your specific interests, number of days on the island and other factors, but will include activities that directly benefit the Cuban people through conversations, knowledge sharing, follow-up initiatives, donations, normal business dealings and a variety of other actions. Excessive free time and recreational activities are not permitted, and travelers are required to work with CET and our local partners to maintain a full-time program that includes incredibly fun and interesting site visits, discussions, performances, tours, happy hours and meals that help our incredible neighbors on the island.
